I have complained as well as other inmates and nothing being done about the issues

and problems of this facility. I have signed documentation from staff and Shift Sergeants about these matters. I myself have complained many times on 9-29-17 9-30-17 10-1-17 10-2-17 and 10-4-17 and still nothing has been done. Fire exits have padlocks on them and the sprinkler system's does not work. Food temps are not correct. Unsanitary Conditions all throughout this facility. Improper Medicare. Denied use of working toilets and cold drinking water. We are locked in our cells at night with nothing and inmates are on the floor in a six man cell and sewer water everywhere. Fear for my health and safety as well for other inmates. State and county inmates are housed together and even inmates that have murder charges. Inmate fell the other day due to water being in the dayroom and busted his head open, staff did nothing. We have 11 pages of rules and regulations that we're supposed to follow and the staff don't follow them. Facility is so overcrowded to say the least. We should not be housed in such nasty and unsanitary conditions. Improper clothing and bedding.

V. RELIEF

(State BRIEFLY exactly what you want this Court to do for you. Make NO legal arguments.

Cite NO cases or statutes.)

Mental angious relief
relief from pain -n- suffering
Relief from future Medical expences if any

I (We) hereby certify under penalty of perjury that the above complaint is true to the best of my (our) information, knowledge and belief.
